Best Fleet Award

I hope everyone saw the article in the US Snipe Sailor about the Best Fleet Award. If you did not, then I have attached a link for you to see it. <https://issuu.com/jbiehl/docs/ussnipewinter2016>

Bow Mar bought the trophies but would appreciate donations from the other fleets to help spread out the cost. If each fleet did \$100 it would cover the total cost but anything is appreciated. Please contact Mike Slouka at mike@omnibend.com or send a check to:

2016 District II Championships

Our District II Champion is being hosted Ninnescah Sailing Club in Wichita Kansas. The regatta is called the Whitecap Regatta and I have attached the NOR with this Newsletter. We can all help the Wichita fleet gain acceptance in the yacht club by having a good showing of Snipes. It is a nice facility and more information about the club can be found on their website:

Bow Mar is Hitting the Road

The Bow Mar Yacht Club has big travel plans for the Fall/Winter sailing season. They are building a triple trailer that will travel to the Nationals in Texas, it will go on to the Halloween Regatta in Atlanta and then go down to Florida for the Winter Circuit. Having the triple will allow most of the teams to fly to the various regattas saving hours of travel. Bow Mar hopes to involve up to 6 different teams throughout the fall/winter regattas.
